FUNCTION PACK

BARK SUBIACO

Welcome to BARK, the smallest small bar in town where we believe you can make a big impact with good old-fashioned hospitality, friendly service and of course great Australian booze, personally sourced (and drank) by our bar team. Here at BARK Subiaco we can cater for work sundowners, birthdays, bucks, hens, wedding receptions – you name it. We are flexible to suit whatever you can dream up, no group is too small or task too big.

For more information please don't hesitate to contact our events coordinator Mitchell Jenkin on 0401 493 196 or email events@barksubiaco.com.au

Let us help you enjoy the art of simple things done well and turning down the noise of day to day to life.
